

IMPACT-project

Setting up a mini-project

1. *Find 2/3 partners*
2. *Make sure you teach the same agegroups*
3. *Link the project to the themes of the TTW*
4. *Set-up the project*

Name of the project: Guess the traditional dish!

Age group: 9 to 11

Theme of the project: Food identities

Partners (name & e-mail):

Goals:

To know food as a tangible element of Portuguese and Italian identities;
To know other civilizations and cultures
To improve English Language and ICT skills;
To promote a European healthy food education;

Didactical approach & organisation

The didactical approach is the cooperative learning and the knowledge of the textual language for a meaningful learning.

1st step: Children send foreign students the name of five typical dishes, written in their own language (Portuguese and Italian language);

2nd step: Students choose one of the dishes and look for information about it: history; ingredients; how to cook it...

3rd step: The students show the foreign students what they learned about the dish;

4th step: The students have to write the correct procedure to prepare the dish;

5th step: Cooking show;

6th step: PPT presentation containing the main elements of the project.

Describe the **sources/materials**, things you need:

Computers;
Books;
A video camera;
