

Improving internationalisation policy during the IMPACT-project

1. Fill in internationalisation scale
2. Assess your level
3. Set up a plan to improve the level of internationalisation in your school
4. Use the PDCA format
5. Think short and long term

Plan:

Short term:

- Include parents in a structural way with the activities.
- Let teachers think about the way how attention for world citizenship could be strengthened in different subjects or across different subjects.

Long term:

- Involve more schools in our Region to inform them about the internationalization experience done.

Do:

Short term:

- Parents and teachers plan and organize an International Day at school.
- Setting up an internationalisation group of teachers in our school to involve all teacher in CLIL activities.

Long term:

- Headmasters and teachers from different schools involved in Erasmus+ Projects, plan and organize International meetings in each school once a year, disseminate the experiences with cultural and educational associations.
