

Improving internationalisation policy during the IMPACT-project

1. Fill in internationalisation scale
2. Assess your level
3. Set up a plan to improve the level of internationalisation in your school
4. Use the PDCA format
5. Think short and long term

Plan:

Short term:

To develop thoughts and curiosity about foreign cultures and learn more about European countries'

Long term:

- a) To allow students and their families to make experience on daily life in other countries
- b) To keep themselves aware of countries, cultures and languages and continue to improve by doing and practice.

Do:

Short term:

- a) Students will keep informed through selected matters or subjects like history, geography and so on.
- b) Students will describe anything they like by computer, i Pads, etc

Long term:

- a) Keep communication with friends abroad writing letters, emails or specific apps.
- b) Develop activities with European students, exchange ideas and product themes about internationalization.

Check:

Internationalisation scale (Next TTW)

Other:

In the next TTW will be presented the results of assesment and evaluation activities .

Act:

Teachers and students have to continue to interact each other improving strategies and methods about internationalization at school.
