How often did you connect to TwinSpace?

54 risposte

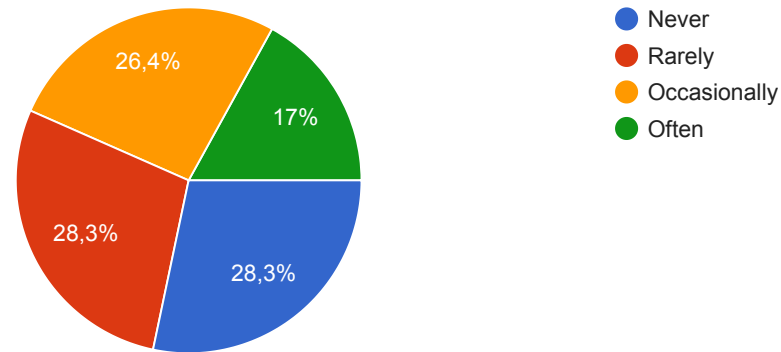

Did you add a page to TwinSpace or add some content to it?

54 risposte

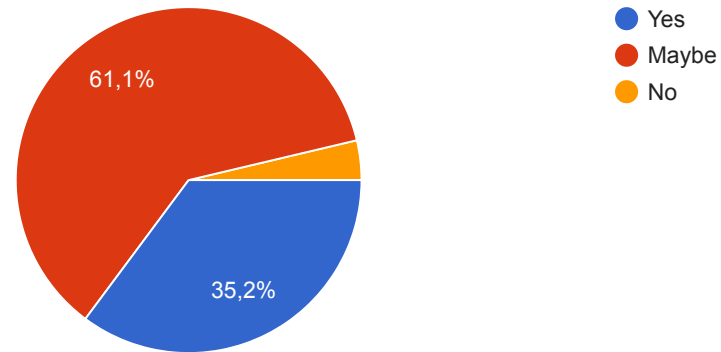

Have you been in touch (even through social network) with other students (from other partner schools)?

53 risposte

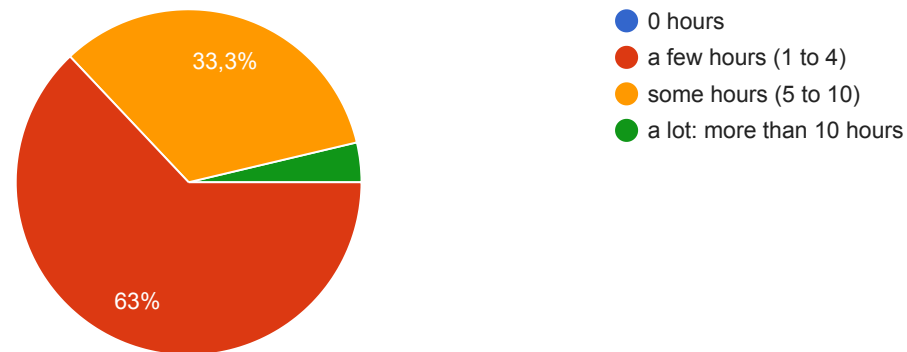

If you'll visit the places where students of other schools live (Nantes, Riva del Garda, Budapest, Sfântu Gheorghe), would you ask for support to other students living there?

54 risposte

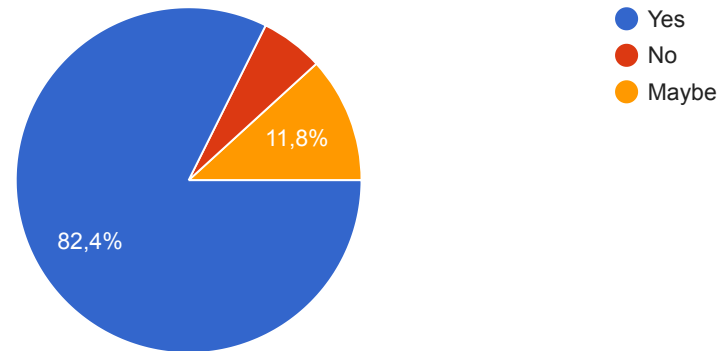

How much time did you spend working on this "mobility" (apart from online meetings)?

54 risposte

Next mobility will be in Italy in Autumn. If it will be a real mobility, do you think your family will allow you to travel?

51 risposte

Next mobility will be in Italy in Autumn. If it will be a virtual mobility, do you have some ideas to improve it?

37 risposte

Not really i'm sorry

Yes. Make it a real mobility 😊

Yes

Maybe if possible be more organised, so we don't waste precious time :D

not really

We should work in smaller groups. It would be easier for us to connect and talk more about a certain topic. I'm thinking maybe 4-5 people max, but working in pairs or 3s would be nice too.

I would like, programs where we can get to know each other better.

I hope it will not be virtual :)

Maybe we can have projects in smaller groups.
