

Erasmus + Project « Jobs » Relaunch

In France :

Students concerned : European section (lower 6th) = 34 students divided into 2 groups

The following works are going to be done by those students, each group being divided into 3

Objective : make a video following those suggestions (we can imagine a final vote to decide which video represents best each topic)

Work A : « A Brand New Start ? »

- ◆ Talk about the lockdown (did you go back to school in May/June ? Why/Why not?) - How did you feel with it ? What were your difficulties ?
- ◆ Return to school in September (how did you handle it ? In which conditions? What does this school year represent to you ? What do you expect from it ?
- ◆ Deal with the range of « specialities » (explain its connection with the High school reform) - What is your postgraduate project ? Any idea concerning your one week internship ?
- ◆ Talk about your strengths and weaknesses

Work B : « My School and I »

- ◆ Introduce your school (before / after the lockdown - any change?) - its location - number of students...
- ◆ Talk about people working there (interview some of them : who is doing what - how long have they been working there ? - studies done ?...
- ◆ extra curriculum activities

Work C : « Living in Saint-Nazaire and its surroundings ? »

- ◆ Introduce your town (before / after the lockdown - any change?) - its location - number of students/people working or living there...
- ◆ find out tourist attractions to visit - sightseeing...
- ◆ Talk about people working there (interview some of them : who is doing what - how long have they been working there ? - studies done ?... Jobs you can find there
- ◆ deal with the impact of the « covid » on employment in our area
