

TREASURES IN

Aragón

C.E.I.P. San José de Calasanz- Fraga (Huesca)

Our Autonomous Community, Aragón, hides lots of treasures and with this unit, we want to show you our favourite ones.

We prepared our patches, boats and compasses to start this adventure.

Years 3 and 4 pirates chose carefully these interesting places during their travels around this fantastic “island” and made a wonderful map.

ENJOY!

First: We played a presentation in class to show our students some types of treasures we have near us.

- Natural treasures
- Cultural treasures
- Animal treasures
- Monumental treasures.

Second: Every student decided which was his/her favourite treasure and made the following fact sheet to work “TEXTS TO INFORM”

**These are
the results:**

The background of the image is a repeating chevron pattern. The chevrons are formed by alternating teal and white lines, creating a zigzag effect that covers the entire frame. Centered horizontally and vertically is the text "YEAR 3" in a large, white, sans-serif font. The letters have a slight 3D effect with a drop shadow, making them stand out against the busy pattern.
