Visit my town

The best in Finland, Ilmajoki and Nopankylä is pure nature. In winter time you can play in snow and build castle of snow or ice. You can enjoy pure nature by skiing.

Jussi Niukkala -Meeri-

You can try how cold is water in wintertime and have a swim in ice hole. Or skate on ice rinks or natural ice, or hike in the forests. You can even test a kicksled. -Henna-

In the spring time floodwater covers fields. There are lot of migratory birds on the fields. In forests you can exercise. There are different sports to: walk along the paths and play frisbeegolf. -Juulia-
