When the snow is behind the window,
I must build first winter igloo.
Inside is very cold, but it is quite comfort,
When we leave our house it is big war with snowballs.

When it's Christmas time, we are with families in house
Christmas tree is here and we sing a lot of carols.
Winter is beautiful, because of Santa Claus,
And everybody loves fresh, white and cold snow.

Bartosz Łobodziński

Christmas is coming
Fun in the house
I meet my family
And I love my house
I sent lists to Santa Claus
I give present for my mum
I hear voices of animals in the farm
It's Christmas time!

Christmas coming soon,
so it's time to watch a star.
Mum and dad don't buy gifts
Santa will do it for you.
Let's go to grandma for family dinner
But leave one place free.

Let's eat some food and go outside to play in the snow,
Make a snowman and throw snowballs
Let's sing Christmas carols.
All the children know, Santa Claus loves them
Christmas is a beautiful time for children and for all.

I like Winter, I like snow,
I like watching my snowman
Skiing, ice skating are fun,
Every child knows that this is true

Christmas is coming, cold winds,
Children laugh and play in the snow.
Winter is never boring
Especially when it snows.
End of snow and snowman... see you next time.

Merry Christmas everyone

Kids wait in the house.
They wait for Santa Claus
They dream about presents
They help their parents

Merry Christmas ho ho ho!

Merry Christmas everyone!

We have a beautiful time!

We see a star in the sky!

Christmas tree is beautiful
Everyone is very helpful
Many people look at the sky
Everyone looks for the first star!

Merry Christmas ho ho ho!

Merry Christmas everyone!

We have a beautiful time!

We see a star in the sky!

Christmas stars, Christmas baubles,
All around the house
I'll give you a Christmas present,
I'll be your Santa Claus.
Oh Christmas tree, Oh Christmas tree,
Christmas angel.
Big fun and toys and a Happy New Year!

White Winter

It snowed, it snowed fluffy snow on white,
White buried everything.
White are swings, all white park benches, white cars.
The whole city snowflakes hidden.
Children play, adults play building snowman gives them so much joy.
Winter is so beautiful.

Winter

Wear a coat or overall
Let's play with friends
Be careful! Snowball!
Snow is white, sticky and soft
or hard, wet and cold.
Winter we like you
We'll meet next year ,too!

Christmas time, Christmas presents,
Under Christmas tree.
I send Christmas card
All the children build a snowman
In the sky Santa Claus

CHRISTMAS !!!

Christmas, Christmas time is soon.

We are waiting now.

I get hula-hoop!

Christmas is now!

You get whistle and sweets!

We are happy because of Christmas.

Christmas, Christmas time is soon.

We are waiting now.

My family goes home

And your family goes home, too.

I wait, I wait, I wait

Christmas now come close!

Christmas is near now!

Wiktoria Krzyzanowska

Snow already covered lands,

At homes Christmas trees stand proudly beautifully dressed,

Fragrance of Christmas food carried away ,

First star lightning ...

Time to share the wafer and make wishes.

At 12 o'clock go to church to meet newborn Jesus.
