

1. Once upon a time there was a **magical forest** called Stribor's forest. When someone who is **unhappy** because of love enters the forest, **the magic ends**. One day, a **forestmán** entered the Stribor's forest and saw a **magical snake**.

2. The forestman **fell in love** with the snake and it turned into a **woman**. She was **beautiful but evil** and selfish. The forestman was **enchanted** by her beauty so he decided to **take her home** and **marry her**.
