Learning differently Lithuania

Lithuania

This day, September 1 in Lithuania is known as the Day of education and knowledge. This day is especially important for every student in the country. For the children this day is very important, they will start their first school year. September 1 is also sincere to the parents of student, however it is not so easy to let your child start a new chapter in their life. This day has many traditions, such as first graders' first bell, bringing different sorts of flowers to greet the teacher you are meeting the next year together. First graders come up with a wish about next year and then they release pigeons into the sky. In the school, the kids talk with their teachers about the upcoming next year. After the celebration, there are different events in the old town.

Traditions of the beginning of the school year

In addition, the first lesson with all representatives of the schools is conducted in Klaipėda, the Lithuanian square. The city mayor congratulates all pupils and students at the beginning of the new school year.
