# 2eco&health project is a project about economy, ecology (2eco) and health.

Topics:

- Economy – statistics, money, law, banking
- Health - Covid 19
- Ecology – environment, SDG (sustainable development goals) - 3Rs  
Disinformation – news, fake news
- Climate Change
  
- Topics about ICT (web tools...) will be part of all subjects.

By working on the project, students will become aware of the importance of searching information from relevant sources on economy, health, and ecology. The importance of the project is given by topics that talk about disinformation and ICT tools. Students will also learn about the importance of displaying information with web tools in economics, health, and ecology.
