

## 'SNOW IN THE LIGHT OF NIGHT'

The snow shines bright in the light of night  
Stars we can see in the height  
The unity of love and happiness makes our Christmas brightest and sweetest

Christmas is time for giving and love  
We can feel endless joy above  
The magic of Christmas never ends  
Greatest of gifts are family and friends  
When we meet our friends, we know it is this time

Christmas is here and snow is falling down  
Christmas is a time of happiness and joy even without snow  
Snowflakes are falling and the landscapes are turning white  
All children are waiting for an old man  
The magic of Christmas has begun  
Santa Claus brings all the presents that they dreamed of in their sleep

When Christmas comes, we eat a lot of chocolate, that's happiness  
Happiness is in the air and I hope you spend this time well  
Christmas is time to share happiness  
Good time with your family and friends  
Drinking hot chocolate and baking ginger cakes  
It is important to have family and fun  
When there is not a lot of sun

Family meeting is the best way to spend this Christmas day  
As snow falls down and fades into the air  
I like to sit beside the window near my bed  
Look out at the snow that dances near the lake  
And hold a sweet chocolate in my hand

I ate a chocolate, two tangerines, a piece of ginger cake  
Some sweets with brandy... my toothache wasn't fake  
Now I'm sure it was too much candy!

New year, New Year, fresh start is here  
Leave the previous behind because you have a lot to find out  
The weather is too cold; it's time to hug you all!  
Adults love beer, children love reindeer!  
I don't believe that Santa Claus exists but still I am waiting for his presents...

The most beautiful present we can give this time is love and we will all be fine  
Embrace the light, you get from your friends and live your life until the end!  
A love so precious a love so true  
A love that comes from me to you!  
Snow, family, love  
Sing the carols, spread the joy  
And playing candy crush  
May Santa Claus give presents to every girl and boy  
I usually play with snow and make a snowman  
Christmas tree symbolizes love, happiness and joy  
Roses are red, violets are blue, the Christmas tree is gorgeous and so are YOU!!

Open the lights and play with snowflakes  
Snow is like stars and shines a lot  
You can eat hot chocolate near a fireplace  
And drink Champagne with people important to you  
Christmas is time to celebrate Christ's birth and to get funny presents  
So let's get out our beautiful Christmas tree  
Christmas is a way to relax and eat and drink a lot  
Remember hot chocolate is better than presents

Take out your reindeer and go for an adventure  
The Christmas lights in Paris are so beautiful  
Merry Christmas is told by everyone  
All the children are waiting for the first star  
Santa Claus is coming, Santa Claus is among us  
Everyone is happy, everyone can smile  
Everywhere is white, everywhere is snowy  
It's beautiful just like a tale, so you know that is Christmas!  
Tangerine smell will remind you of this special Christmas day  
So freshen up your mind and enjoy yourself!  
Carols are heard everywhere,  
Happiness is in the air  
The magic of Christmas never ends and its greatest of gifts are family and friends

Christmas is over and now, we are getting back to class to finish this project  
But before, I wish you a happy new year.
