15. What did you like best about this meeting?

15 respostas

The uniqueness of the island and partners that become closer to me all the time

People, climate and landscapes

Extremely fruitful opportunity to network and be inspired by other teachers

meeting local people

The program was very good and every day we did different things.

The variety of cultures and the sympathy of the host partner.

The musical session

I liked the activities and the materials presented by the Reunionese students during the meeting because they all contributed to let us know more about the local culture and multiculturality.

Music workshop and visits to the different places to see the geographical, religious and historical landscapes

I really loved the music workshop and I was amazed at the two day trips around the great cultural and Nature diversity of the island

Trips and the teachers involved

Getting to see the diversity of landscape, culture and language on the island.

It was a wonderful week! Everything was perfect! It was really amazing to discover that so many different cultures could perfectly live together.

I loved the contact with nature, the cultural diversity (including food), the activities, the hospitality of the host partner, and the atmosphere among participants.

I liked the organization, the cultural diversity, the interaction with all the participants and the privilege of being able to contact with different realities, which became very enriching
