# HELP SCHOOL

- ◉ My name is Roberto Montero, I am the manager of the Children's School "HELP SCHOOL", special School for children from 6 to 17 years old.

# HELP SCHOOL

- ⦿ This School is especially targeted for children who have behavioral, emotional and speakable problems, medical problems or learning disabilities.

# HELP SCHOOL

- ⦿ Our solution is an individual education program that is created specifically for your child.

# HELP SCHOOL

- ⦿ Here the kids and teenagers will live a total immersion in the treatment program, in which the multidisciplinary team of Specialists of the Center, composed by therapeutic, educational and academic professionals.

## HELP SCHOOL

- Help School really cares about the most important investment you have.
