 BACHILLERATO.

Tenicfibre clothing store.  
 We need teams and players from different sports to represent our brand.  
 That other types of stores buy us clothes to sell also in their store.  
 Have partners with contributions to help us grow.

**Key activities**  
 Serve the customer well, keep the website active, have eye-catching showcases and get their attention by asking for their tastes and selling them at an affordable price

**Key resources**  
 Have workers who know well what is being sold, good quality and high profits without putting a very high price. Several stores and emergency savings.

**Proposed of value.**  
 We offer quality clothing, comfortable to exercise and at a good price to customers. Make good deals with striking sets and multiple types of clothes and colors to try to hit with your tastes ..

**Relationship with customers.**  
 Treat them well, make good offers, quality of the product, accept returns, advise our best products and speed the time to answer or answer questions

**Channels**  
 Let us know by magazines, ads, sponsoring famous athletes and social networks.

**Segments of clients.**  
 Men and women of all ages looking for comfortable clothes and a good price to exercise.

**Cost structure**  
 Payment to workers, payment of taxes, payment of the public service, payment of advertising, payment of the maintenance of the premises and payment of the product that we are going to sell.

**Sources of income**  
 Shopping through the website, in-store purchases and sponsors
