

## Used textbooks for social change

Partner with student groups/clubs to collect used textbooks at the end of each semester. Students donate their used textbooks. Some of the textbooks are re-sold to students at the college/university of their collection source; some of the textbooks are donated to students in need at undeserved universities in the developing world. The profits are split between the student groups/clubs, program administration costs, and any remaining funds are used to support social programs in developing communities.
