My experience has been very positive. The family that hosted me was always kind and helpful. The food in France is different from the Italian one but still good. I would do this experience again.

In France I was very well-treated. In fact I really enjoyed the

I LIKED THE EXPERIENCE IN FRANCE. I WAS IN THE BOARDING HOUSE, AND I MET TWO GIRLS WHO WERE VERY FRIENDLY, AS THE FRENCH GUYS WHO WORKED WITH US IN THE PROJECT.

The French family was very welcoming and warm, always ready in case of need.

Now I have new friends and I learned new things about the Italians

I was very happy to enjoy this week, because talking about teen topics with Italian students is very funny. The feeling with Italian student was just amazing!!! And all the Italian students have become my friends. Love U ;)

The French students were very friendly and helpful. Some nights the dormitory was a bit noisy. The food was good and the trip were awesome and I had a lot of fun. I've met a lot of new people and I hope that the friendship that we have established doesn't vanish
