

## Workshop H5P tool [H5P.org]

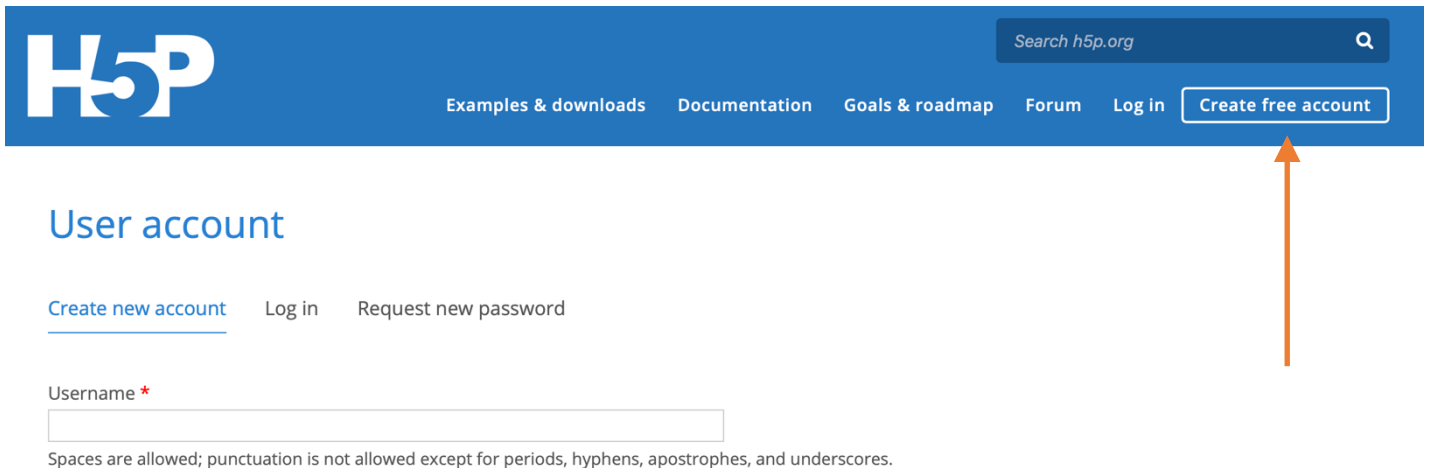

The screenshot shows the H5P website homepage. The main heading reads "CREATE, SHARE AND REUSE INTERACTIVE HTML5 CONTENT IN YOUR BROWSER". Below this, there is a "try this" button with a right-pointing arrow. To the right, there is a grid of six blue squares, each containing a white question mark. A yellow oval highlights this grid. Below the grid, there is a timer showing "Time spent: 0:00" and "Card turns: 0". At the top right, there is a search bar with the text "Search h5p.org" and a magnifying glass icon. Below the search bar, there are navigation links: "Examples & downloads", "Documentation", "Goals & roadmap", "Forum", "Log in", and a "Create free account" button. The H5P logo is in the top left corner.

## Create an account

The screenshot shows the "User account" page on the H5P website. At the top, there is a navigation bar with the H5P logo, a search bar with "Search h5p.org", and navigation links: "Examples & downloads", "Documentation", "Goals & roadmap", "Forum", "Log in", and a "Create free account" button. Below the navigation bar, the heading "User account" is displayed. Underneath, there are links for "Create new account", "Log in", and "Request new password". The "Create new account" link is underlined. Below these links, there is a "Username" field with a red asterisk next to it. Below the field, there is a note: "Spaces are allowed; punctuation is not allowed except for periods, hyphens, apostrophes, and underscores."

# H5P Content Types [some of them]

**Interactive Video**  
Create videos enriched with interactions

**Multiple Choice**  
Create flexible multiple choice questions

**Drag the Words**  
Create text-based drag and drop tasks

**True/False Question**  
Create True/False questions

**Fill in the Blanks**  
Create a task with missing words in a text

**Drag and Drop**  
Create drag and drop tasks with images

**Memory Game**  
Create the classic image pairing game

## Import a video file

Step 1 Upload/embed video

Step 2 Add interactions

Add a video (upload limit 16 MB) \*

Click below to add a video you wish to use in your interactive video. You can add a video link or upload video files. To ensure maximum support in browsers at least add a version of the video with different qualities. **Note:** To avoid abuse, H5P.org has limited file size on uploads to 16 MB. To use larger files you must use an external service or install H5P on your web site.

Add file

Step 1 Upload/embed video Step 2 Add interactions Step 3 Summary task

Add a video (upload limit 16 MB) \*

Click below to add a video you wish to use in your interactive video. You can add a video link or upload video files. It is possible to add several versions of the video with different qualities. To ensure maximum support in browsers at least add a version in webm and mp4 formats. **Note:** To avoid abuse, H5P.org has limited file size on uploads to 16 MB. To use larger files you must use an external service or install H5P on your web site.

Upload video file or Paste YouTube link or other video source URL

Enter video source URL or YouTube link

H5P supports all external video sources formatted as mp4, webm or ogv, like Vimeo Pro, and has support for YouTube links.

Insert Cancel

Example of file : Volvo pedestrian protection.wmv - YouTube.mp4
