## Other comments

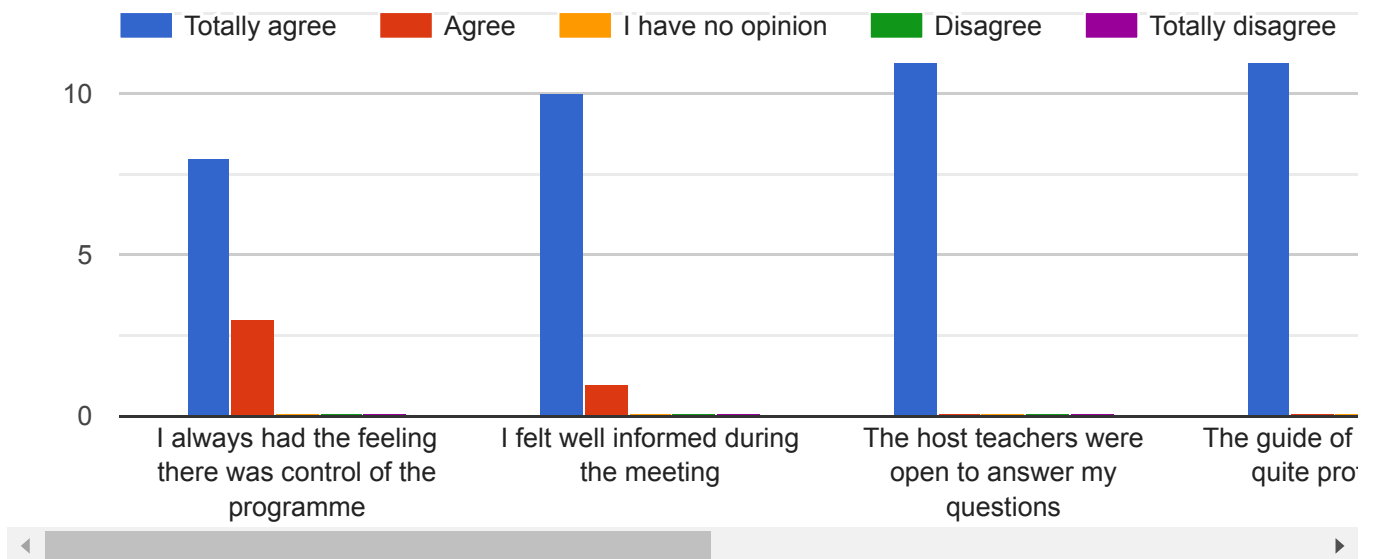

3 responses

No

an unforgettable experience!

It was a very interesting experience and an important opportunity for training, comparison, growth.

## About the programme in general- to which degree you agree with the following statements

## Other comments

2 responses

No

The programme was varied and well organized.

Suggestions for the next visit - do you have any ideas - or anything that you would like to be changed. Please feel free to write down your ideas.

### Good ideas for the next trip

11 responses

I have to think

\*

Visiting Monastery inside

Icebreaking activity

I am sure that every country will try to surprise the others with wonderful trips at every teacher's meeting.

-

More activities together with the students

Everything was ok

### What would you change?

11 responses

Nothing

During ICT workshops computers and keyboard could have been adjusted to English

more time for personal working

Nothing, referring to Turkish experience.

NOTHING

It was perfect

nothing

/

Nono

## Any ideas about the project in general?

11 responses

No

I have to think

\*

In general i felt good organitation and all under control

We should focus on achievable tasks but at the same time simple enough.

-

It is good as It is

I was pleased

Do not spend too much time on activities, or on many digital platforms, but more on building human relationships

## How would you assess your experience

### Write down the best experience from the visit

11 responses

About ICT tools

All of them

Ferewell party

meeting with teachers from others countries and host families of our students

The visit to Sumela Monastery

The meetings was very interesting and I learn alot.

Cooking together

Openess of people. Similarities in cultures.

Know the splendid reality of Turkey and its people

Write down an experience that you wouldn't like to repeat

11 responses

ICT Tools

There was no such an experience

Nothing

climbing in Üzungol

I have nothing here to say.

-

I have none

Nothing.

all right
