Arriving in Matosinhos...

- Let's talk about tourism in Matosinhos. We will start by talking about the Francisco Sá Carneiro Airport that received about ten million tourists last year.

Porto - the capital of tourism

Porto is considered the best destination for tourists of 2017. It is a beautiful city with fantastic monuments, good food, a crowded and very popular nightlife, and very nice and hospitable people.

Matosinhos – a great place

- Matosinhos is located near Porto, becoming a good place to visit and a very appreciated destination due to its good food and beautiful beaches.

Matosinhos - great celebrations

- Around May in Matosinhos we have a very fun celebration that every year receives thousands of visitors.
- During the celebration people love to visit the Church of the Lord of Matosinhos and see the beautiful decorations with flowers in every saint altar.

The Incredible Beach

- If you visit Matosinhos in the summer, come and visit our beach which has become a fantastic place to spend the day with a wonderful peaceful sea and a wide stretch of white sand.

The Fantastic Food

- If you are a fish lover, visit Matosinhos and try our wonderful fish in the many restaurants with their fantastic specialities. You won't regret it, you will love our food.
- If you prefer to cook and if you want to have fun buying your fish, come to our Mercado or Lota and meet our fishmongers. It will be a great experience.
