

# The Media in Portugal

# Media

- In Portugal most people, especially teenagers, are influenced by the media.
- It is crucial for the Portuguese life and there are many people addicted to it.
- TV and the Internet are the most addictive media.

# Television

- In Portugal the most famous channels are RTP, SIC and TVI.
- Our preference is TVI, because they broadcast many types of soap operas like “Única Mulher”, “Ouro Verde” and “Inspetor Max”.
- Our preference concerning sports programmes is “Sport-TV”.

# Radio

- Nilton is a very popular comedian who works on RFM and his programme is called “Café da Manhã”; it’s very funny, he calls different people pretending to be someone playing pranks on them.
- Our favourite radio stations are Mega Hits or Cidade FM; they broadcast good music.
- Another famous radio station is Rádio Comercial.

# Internet

- One of the favourite social networks of the Portuguese is Facebook, where people can post a lot of things about their daily lives like photos, “memes”, videos and sayings.

# Newspapers and Magazines

- One of the most famous newspapers is Jornal de Noticias which reports all kinds of news: local news, national news, international news.
