### **3. SPANISH MOBILITY.**

In Spain we already have everything prepared to do the mobility in our country, the week of November 29 to December 3. We will wait to see how things develop in Romania to see if they can travel in December.

Once countries select the students and teachers who will travel to Spain, they will send the data to the coordinator in Spain to send invitation letters and programme.

For accommodation there are two hotel options. Both about 10 minutes walking from the school. They are on the same street facing each other. One is cheaper than the other. From Spain we will call the hotel to comment on the situation and facilitate the work of booking.

The hotel can only be booked with breakfast. Dinners can be booked at local restaurants. The Spanish team can help with such reservations.

The programme of the mobility is already prepared. It will be sent with the invitations letters. This is a brief resume:

- Monday: Welcome at the town hall, visit to the school, workshops.
- Tuesday: Visit to the Retiro Park and the city of Madrid, and workshops.
- Wednesday and Thursday: Workshops and stay on a farm.
- Friday: Visit and workshops in an environmental educational Center. Closing ceremony with party.

On Wednesday and Thursday, when we will visit the farm, only one teacher from each country could stay with students. The others teachers have the day off.

### **4. NEXT TEACHER'S MEETING.**

All the members agree to have the next teacher's meeting on Thursday **4<sup>th</sup> November**, at 5:30 in the afternoon (Spanish hour) by Google Meet.
