

Would you like to be your own idol?

Let's say what is important!!!

Have different opinions and personalities but also something in common

Be sure of yourself: don't be afraid

Be honest: tell always the truth and don't hide anything

Be serious: make decisions with awareness

Be strong and brave: it is normal to have fear but escape from it with your courage

Listen to other people: don't be selfish and at the center of your world

Be communicative: communication is like a chain that connects all the people

Believe in yourself

Be intelligent: using your mind is useful to reach your aims

Do you want to have all these characteristics?

Take part in the project!
