

MARCH

March was a busy month in our school to celebrate many things. Here are some of them what we had done at the school.

This photo was from our teachers' room on 8th March that we celebrated International Women's Day. On that day, our parent association prepared some kind surprises for the women teachers.

On 12th March, we celebrated the adoption of Our National Anthem. Turkish National Anthem was written by Mehmet Akif Ersoy and officially adopted by the Parliament on 12th of March, 1921.

Mehmet Akif Ersoy, the poet of Turkish National Anthem

On 18th March, we commemorated the 104th anniversary of Çanakkale Victory. In 18th March 1915, Turkish army won a great victory over allied powers who attacked to seize the Dardanelles strait in order to have the control of the sea from Europe to Russia during the World War I. In our school, our students put on a theater performance which was about Gallipoli War and bravery of our soldiers.
