

# Cats and dogs in China

The Yulin Dog Meat Festival is held every June 21st in Yulin. It is dedicated to dog meat but also to that of cats. In China, 10 to 15 million dogs and 4 million cats are consumed each year !

Further more, in the Chinese streets, millions of dogs and cats live constantly in fear, and lack of food.

Sometimes they are also victims of serious illnesses.

Despite this, the inhabitants have no mercy on them:

- They are piled on top of each other in small, cramped cages, without water, without food ...

- Then, they are transported for days across the country in awful conditions.

- Finally, they survive in terror, and are sold directly to the markets and restaurants that offer them on their map.
