I want another experience like it was in that week.

This was one of the most interesting experiences in my life and I'm looking forward to the next project.

It was an incredible experience.

I love This kind of experencies

In a nutshell, the "Greetings from Tomorrow" project was more than a series of non-formal workshops: beginning with the exciting encounter with a foreign student and exchanging thoughts, the ice-breaking team-building provided by the awesome teacher, Mr Cehan, the interactive DIY projects, the synergy that was build throughout the trips and up to the everlasting memories and friendships that were made

possible by a great team of teachers and student, I think that this project, especially the mobility from Romania, is a unique experience that I will cherish for life. 10 out of 10.
