(55 réponses)

10. Do you think that the project was promoted well enough in school?

(55 réponses)

11. If the answer to the previous question was no, mention other ways in which the project should have been promoted.

(2 réponses)

I'd like to point that it could have been transmitted to us in many other ways than the ones I was informed by. Maybe some that could've attracted other students than just the ones that participate in the project. Thank you!

They should've told more about it to the students

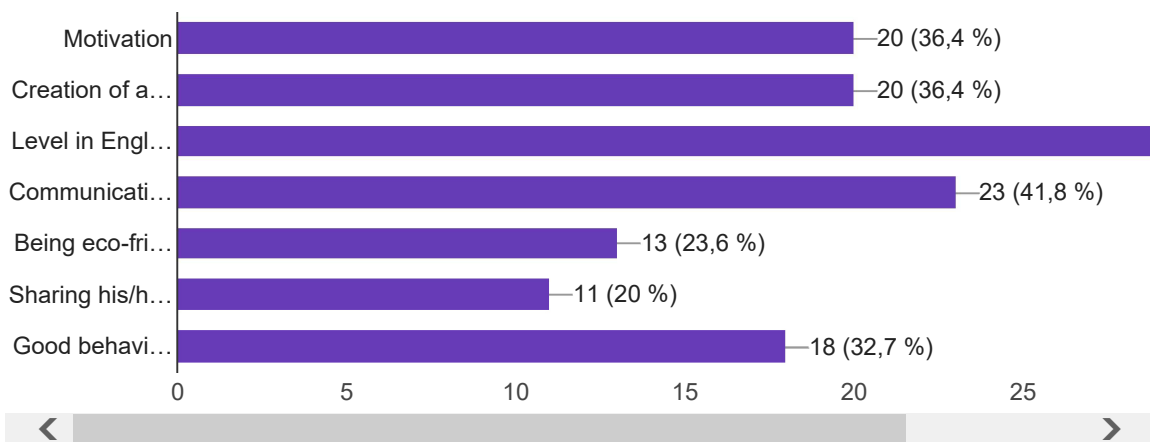

12. Do you know what project mobilities are? (55 réponses)

13. If the answer was yes, mention at least 2 criteria for the selection of the students for mobilities.

(55 réponses)

14. How do you think this project will contribute to your personal development?
