Dear travel diary, this trip was endless, but it was fantastic. After spending the night at Station of Naples, we took the bus that would take us to Rome's Fiumicino Airport; but for the plane we would have to wait another hour. At the end we did it, we left for Bucharest and there we must take another plane. We must wait again. Finally at 8.00 pm (about), we arrived in Iasi, where we had met the families we were assigned to. My host was Octavian, a boy of 15 years old.

At eight o'clock we took the airplane to Bucharest at half past eleven. At seventeen o'clock we took another airplane to get to Iasi. At about eighteen o'clock we went to the families and we met. GOOD NIGHT YOUR ASIA

Dear travel diary,

today I am very happy because tonight there will be a party to conclude the beautiful experience that we have done here. We got up as usual at 7:30 and then went to school. Today there has been a boring (for me) presentation at school so I will not describe it to you. Then we went to visit a waste collection center. This was a very interesting one. The professors left and we went to eat to Mc Donald's. Then I and Octavian went home to take a shower and prepare for the party. At about the 4.00 pm we came to school, where we have arranged the things to eat and the things to drink. The party would start soon. I had fun very much. We danced, sang and a Romanian girl also played, but soon it came the time for greetings. We greeted the teachers and the students. I was so sorry. At home we did a photo with Octavian and then I went to bed.
