A very well organized and very efficient activity

I am very happy having the possibility to participate in a such activity.

The last day's activity in Sofia city centre should have been done on the first day, as a group bonding activity. Also, it would have served its purpose better since nobody would have known the city centre yet. Question no. 7: I also used some French and Italian ;)

Many thanks to our Bulgarian partners !

Good experience

I think that this exchange was useful for the English language and to compare with people from other countries

This second trip was, as always, interesting and enjoyable, but also the hospitality was fantastic.

I was no sure what to expect from the course, but I was happy. It was a shame that some of the planned programmes and workshops were cancelled. Thank you all so much!

Excellent
