Congratulations to the organizers on organizing this course!!!

Educational, pleasant and rewarding experience

Merci!!!

Comparing with other schools is growth, mental openness and novelty

I felt wonderful and learned a lot. It was perfectly organized.

The topic of the meeting was very interesting. Each of us must adopt more responsible behaviours to save many beauties of our countries.

Good experience

It was a precious experience for my personal training

It's a good practise to share knowledge of today's life from different aspects of Europe. Getting to know European colleagues in informal way helps collaboration and inspires us with teaching.

I think the course was very interesting and gave me a lot of new ideas.
