unique and unforgettable experience

I am convinced that my daughter has had a beautiful, unique and important experience for her personal

growth and for the deepening of the English language. I am happy and I thank the comprehensive Institute of Satriano di Lucania for giving my daughter the opportunity to participate in the Erasmus project

I saw my son very happy ,because he had a chance to do an experience only

We think that this was a very good experience for all our family

It was a new and enjoyable experience

it was an important initiative to confront new cultures

it was a fantastic experience, to be redone for sure.

this experience was a great thing to explain and tell with the next generetions about the future of our wonderful planet and also a big opportunity to know other countries and their traditions and cultures and was halpful to communicate and think in English.

It was a fantastic experience for we and for my daughter

È un'esperienza che ci ha arricchito molto sia a nostro figlio che alla nostra comunità.

Despite the age gap, this project has been profitable.
