It was a fantastic experience that improved my English

It was the best experience ever.

I really like atmosphere at people in this project, everything was amazing 😊 really good job!

In general the project was so good that it could be said that it was perfectly made.

This experience is the most interesting in my life. I knew new people who live in a different way from me and I had the possibility to visit another country.

The week in Iasi went really well and fast, sadly. :(It was so nice to get to know different people and cultures. Romania is a beautiful country, and it was nice to see a little bit of it. Everybody who attended this course was friendly and the atmosphere was supportive all the time. I did improve my English skills also, and now I have bigger knowledge about recycling. Over all this trip was very productive and wonderful, Iasi will always stay in my mind and heart. Looking forward to the next project in Helsinki!

Thank

I hope I'll go back to Romania, but with no restrictions whatsoever to enjoy life as it is there.

Good travel
