A.1.1 - Love

1. Listen the video and read the lyrics

The first activity that we are going to do consists of a motivational activity in which we will listen to a song (with English subtitles) and explain the meaning of the video and the lyrics of the song.

Love (Imagine Dragons) | Playing For Change

➤ https://youtu.be/mxEd_8Bv7XQ

The song **Love** by Imagine Dragons describes the current condition of the world, which is full of many problems: lack of respect and tenderness, violence and homicides. In less than three minutes, lead singer Dan Reynolds gives his voice to a message of hope and revolution.

We have selected the song with the version from "**Playing For Changes**". This "world band" plays a song with many musicians around the world. It's a perfect version to describe, that at the end of the road, we are one, doesn't matter where we come from. We can watch and listen to music from Australia, United States, Congo, Israel, Hawai'i, India, South Africa, Brazil...

*Playing For Change is a multimedia music project, co-founded in 2002 by American music engineer/producer Mark Johnson and film producer/philanthropist Whitney Kroenke. Playing For Change also created a separate non-profit organization called the Playing For Change Foundation, which builds music and art schools for children around the world.

[Verse 1]

It's been a long time comin', comin'
Seeming like we all been runnin', runnin'
Feeling like the wild west, gunnin', gunnin'
Listen to our elders shunnin', shunnin'
Flipping on the news beat talkin', talkin'
All about the problems, shockin', shockin'
We put on our headphones walking, walking
We put on our headphones

[Chorus]

Where did we all go wrong?
Love, love, love
Lo-lo-lo-love, love, love
Lo-lo-lo-love, love, love
Lo-lo-lo-love, love, love
Where did we all, where did we all go wrong?

[Verse 2]

All we see is faces, color, color
All the other races, other, other
Why can't you just be my brother, brother?
We don't have to kill one another, kill one another
All around the world, we are one, we are one
All around the world, we are one

[Chorus]

So where did we all go wrong?
Love, love, love
Lo-lo-lo-love, love, love
Lo-lo-lo-love, love, love
Lo-lo-lo-love, love, love
Where did we all, where did we all go wrong?
Love, love, love
(It's darkest before the dawn)
Lo-lo-lo-love, love, love

(Love is our only hope)
Lo-lo-lo-love, love, love
Lo-lo-lo-love, love, love
Where did we all, where did we all go wrong?

[Bridge]

'Cause we got the same blood, blood
We got the same blood, blood
Will it be enough, 'nough?
Will it be enough?
We got the same heartbeat
We're living for the same dream
We got the same bloodstream
Where did we all go wrong?

[Chorus]

Where did we all, where did we all go wrong?
Love, love, love, love
(It's darkest before the dawn)
Lo-lo-lo-love, love, love
(Love is our only hope)
Lo-lo-lo-love, love, love, oh
Lo-lo-lo-love, love, love

[Outro]

Where did we all, where did we all go wrong?
Where did we all, where did we all?
Where did we all, where did we all? (Oh)
Where did we all, where did we all?
Where did we all, where did we all go wrong?
Love, love, love
Where did we all, where did we all?
Lo-lo-lo-love, love, love
Where did we all, where did we all?
Lo-lo-lo-love, love, love
Where did we all, where did we all go wrong?
