

KIDS TRANSNATIONAL MEETINGS BRIEFINGS

Sarikamis, Turkey

11th-15th February 2015

Dear friends,

I have been longing for writing this email but settling down after arriving from Sarikamis and getting everything running at school and home it is never as quick as we wish! :-)

First of all I would like to share with you that I/we - the Portuguese team - had a great time in Turkey, and I am thankful to the Turkish team, as I loved meeting you all and I have the expectations of being working with a great project team! :-)

In the last day, before departure, I had the opportunity to mention to Yasemin about our evening meeting at the hotel after arriving from Kars. I am going to share the ideas discussed so the Turkish team is aware of them so they can express their opinion, agreement or changes:

1. **Portuguese Transnational meeting** will take place from the 10th to the 14th June (Wed to Sun): like in the previous mobility, 10th for arrivals and 14th for departures.

2. **Exchange of Good Practices** - Romania agreed that would choose some activities from the Financial Literacy books and share with the rest of the team in English. We will have the same for the meeting in Portugal.

3. Each country would share the **Country + School's presentations** used in this meeting. May I suggest that they are sent to me and Ivana so we can have them in the project's website and eTwinning twinspace.

4. During the Portuguese meeting, we are planning to organise a **Cultural evening** with some pupils and parents. We all agreed in taking to Portugal some typical food/drinks, along with a table flag and representative traditional clothes. The idea is to share and taste a bit of each countries specialities. You can even bring some music and have some dancing... :-)

5. During the Portuguese meeting, the countries will share **presentations on the project activities developed** so far and a few Portuguese Ss will test the computer games to be used later on the pupils' workshops.

6. **Peering 1** - in order to have some pupils talking with fellow partners, we would have some keen Ss invited to eTwinning Twinspace. I will do a google doc so each school writes the names of the Ss wanting to peer and will choose a Ss from another country. I will give each teacher in eTwinning admin rights.

7. **Peering 2** - Mobility penfriend - in the following meetings, each country will take 10 letters written in English by Ss and then give it to the teachers to take them back to their countries. In the next meeting they will take the answers/replies to the letters.

I do not know if I am missing some key aspects that we may have discussed. Please feel free to add them.

I wish you all a great week and soon I will be in touch regarding the meeting in Portugal.

Hugs from Portugal.

Helena Serdoura
