

TOLERANCE is our precious value.

It has been killed by terrorism too many times in our country. Too many attacks against Freedom of expression, against Art of life such as going to a show, eating in a restaurant, against our National Day , and now against our Education.

16/10/2020 Samuel Paty has been wildly murdered by a terrorist.Why?

He was teaching about freedom of expression !!!

Our heart is bleeding.
Our mind is astonished.

But WE WILL RESIST.
Liberty of freedom will never die.

Samuel Paty is now a symbol:
we need to make and keep
people be open-minded and
tolerant.

Liberty Equality Fraternity

Secularism :

never give up !
