

Synthesis Evaluation 3rd Exchange Ettlingen (20-27/03/2019)

Concerning hosting families:

- very well prepared, I hope to see them again, I already visited my hosting family before; I knew what to expect; nice to see them again, warm people; I felt like home, etc.

Favourite activities:

every single day trip; the Black Forest; ZKM Karlsruhe; the farewell dinner; the family day; bowling; the football match; the shopping in Strasbourg; the Schwarzwald Torte

How did the writing of the articles go?

Well prepared and I took good pictures; we didn't do a lot for our articles; we worked together very well; We got too much time to prepare the articles; not so prepared, but the article went well; I was well prepared, but the others weren't really prepared; pictures sending caused problems... etc.

New knowledge and skills?

history, German food, German vocabulary, the institution of the Council of Europe; other school systems, different lifestyles, we have much more in common than I expected; don't judge people at the first sight; same sense of humour; we can't miss each other even after a half week; we can make good friends very fast;

Stay in contact with each other?

11 Yes; 0 No.

Best part of the project?

new friendships (9 times), new cities (4X), everything (there was nothing I didn't like).
