

My top 5 sports

- Jakob Järve

- 6.c

- TPK

- 02.02.16

Number 5- swimming

- Swimming is an individual or team sport and activity. Martti Aljand- a famous Estonian swimmer.

Number 4- billiard

- Billiard is a game, that was probably made in France, because the name billiard comes from french "billart". Denis Grabe is the best billiard player in Estonia. He has won many tournaments and now represents Estonia in championships and tournaments.

Number 3- table tennis

- Table tennis was invented in Victorian England as an after-dinner parlour game. Evelin Lestal was the Estonia's best table tennis player.

Number 2- football

- Football was invented in England, where at first biting, punching and kicking were allowed so it was played as a competitive game.

Enar jääger plays in the Estonian national team. He is in the defensive role.

Number 1- E-sports

- The first e-sport came with the first computer game. The first e-sports competition was in 1972 in the game "Spacewar". Only Stanford students were invited.
- Godhyr is the Estonia's most famous gamer. He plays for charity and has become a worldwide known player.

Thanks for listening!
