Here are some pictures to show the fantastic effort that has resulted in the following collection which was donated/delivered on Thursday 10th December 😊

Lots of families will benefit this Christmas because of your generosity.

The minibus all loaded up Thursday morning... Thanks to all the staff for the collective effort helping to carry and pack the bus.

Unloading the minibus...

Why study Religious Education?

- Over 7 billion people across the world believe in something.
- We do it because we are not narrow-minded and to present religious intolerance.
- We do it because it makes us better people.
- We do it because our culture and heritage is built upon religion.
- We do it because it is interesting and engaging.
- We do it because we recognize the religious practices that shape our lives.
- We do it because we do not know what we do not know.

- Knowledge
- Impact
- Special Language
- Source of Wisdom
- Judgement
- Opinion
- What do you know about this source or topic?
- What impact does this have on people's lives?
- What is the strength of your argument?
- What judgements can you make on the source?

A massive thank you to all the staff and pupils that donated this year. Without your fantastic effort and support, the amount we collected could not have been achieved. The positive impact you have made to many families in Carmarthenshire this Christmas is something you should all be proud of!

This is the most we have collected since we started collecting 4 years ago. What a tremendous effort, especially with how tough 2020 has been.
Gallwn, Gofalwn 😊

► Well done to all at Dyffryn Taf. Diolch yn fawr iawn 😊
