

Journey to becoming a good entrepreneur

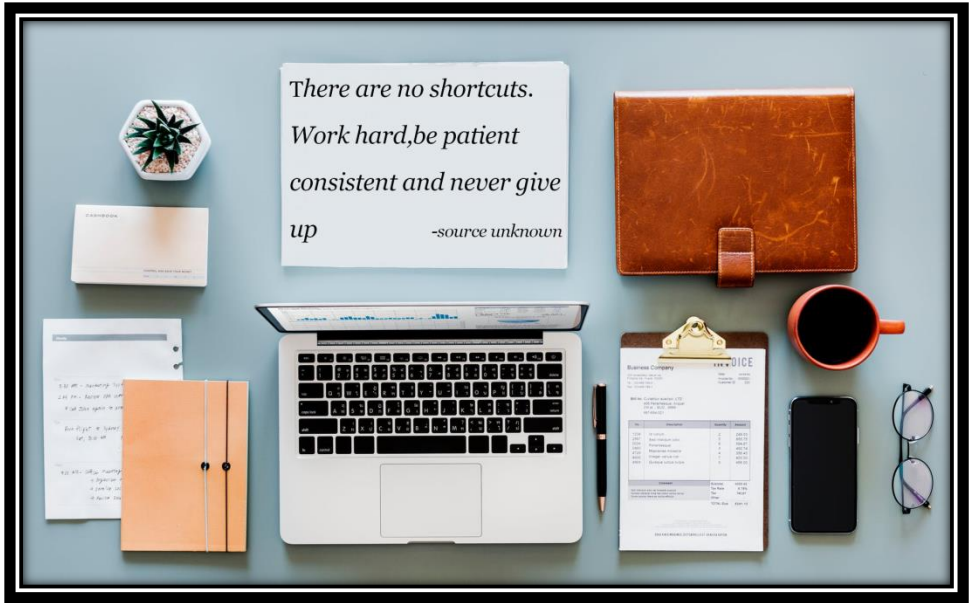

You can dream big

Entrepreneurs can think the big picture.
Entrepreneurs can see what the future
holds before it takes shape.

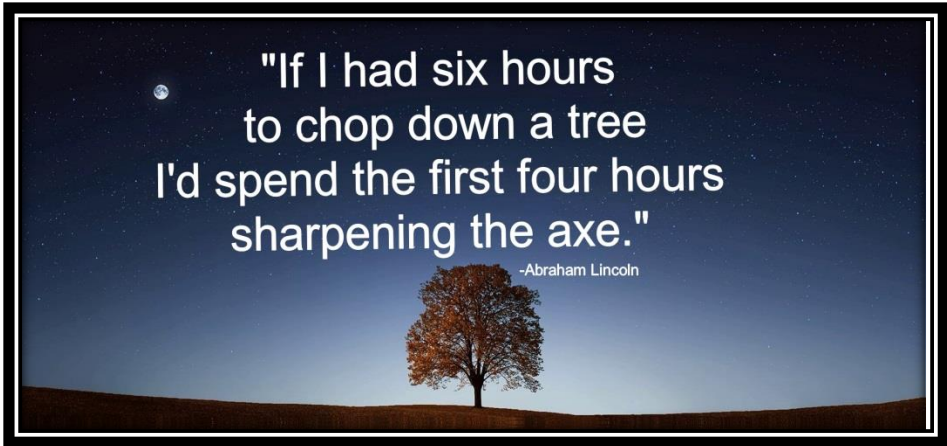

You value hard work

The best entrepreneurs aren't afraid of getting their hands dirty and putting in late nights.

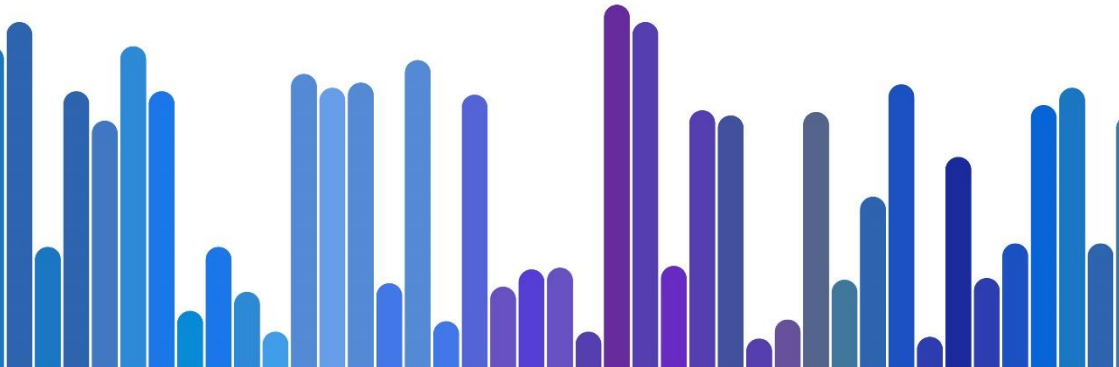

You value smart work

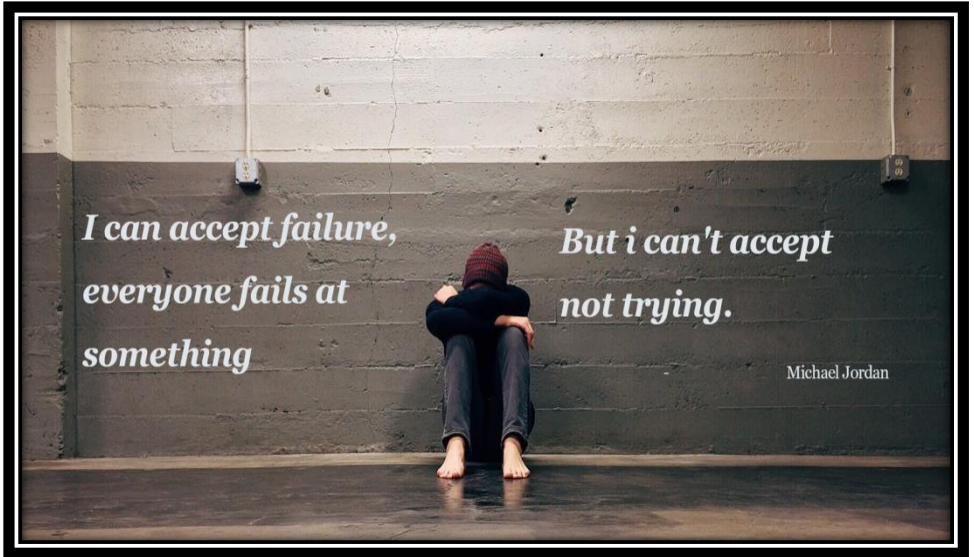

"If I had six hours
to chop down a tree
I'd spend the first four hours
sharpening the axe."

-Abraham Lincoln

The best entrepreneurs are willing to work hard but they're more focused around working smart.

You don't mind failure

Entrepreneurs recognize that failure is a part of the journey and are willing to struggle a little to achieve a lot.

You can work from anywhere

Entrepreneurs have the ability and understand the importance of being able to work from anywhere, anytime.

You're weird

If you're considered weird by anyone, that's not a bad thing. Entrepreneurs are rarely like everyone else.

You embrace change

Entrepreneurs enjoy change when it's going to result in something better.

You've got someone to prove
wrong

↑ **write your own quote** ↑

It might sound silly and immature but lots of entrepreneurs are driven to prove someone who doubted them, rejected them or ridiculed them
wrong.

In moments where you second guess
your commitment, come back to this
list and realize that you're on the right
track and turn obstacles into
opportunities.
