

BERGEN, NORWAY

STEND UPPER SECONDARY SCHOOL

YELL

YOUNG ENTREPRENEURS ON
A EUROPEAN LEARNING LEVEL

Stend vidaregåande skule

- 550 students
- Age 16-19 years
- 170 teachers and staff
- A small school has grown
- Change of identity

Our educational programmes

Vocational education

- Nature based productions
- Service and transport
- Groups for adapted education

Program for general studies

- Sports
- Supplementary studies qualifying for higher education

Learning by doing

Vocational education:

- 2 + 2 or 3 years in school or 1 + 3
- 2-3 days a week - practical work at the school farm
- Partly small groups. ICT

General studies:

- 3 yrs in school. Big groups. ICT

Entrepreneurial attitude and skills

Why?

We cannot rely on income from oil for all future

How?

- 2. year
- Separate subject or used as a tool for learning
- Also in groups for disabled students

Vi har fått innbrakt nye
produkter i samarbeid med
- Egilsmøllen
- Vassnes
- Grønt Gård

CARF

Challenges

- Prevent drop out
- Increase proudness of vocational education
- Give all a feeling of success

4 of us working with YELL...

- Bjørn Grinde
- Anne Beate Ytreøy
- Britt Janne Karlsen
- Tone O Mosebø - coordinator
