

**Vocational High School of  
Veterinary Medicine 'Prof. Dr. Georgi Pavlov'  
Dobrich, Bulgaria**

Vocational High School of Veterinary Medicine, Dobrich is one of the three veterinary schools in Bulgaria. It is also the only one on the territory of Northeastern Bulgaria and enrolls students from 6 Bulgarian districts - Varna, Shoumen, Razgrad, Silistra, Targovishte and Dobrich.

Vocational High School of Veterinary Medicine was founded in 1973 and in its 46 years history over 3000 students has finished their secondary education in it, with a professional degree qualification in the field of **veterinary technician**;

# TRAINING COURSES: VETERINARY TECHNICIAN FOOD AND BEVERAGE TECHNOLOGIST

# The school provides rich facilities for its students:

- 18 classrooms
- 2 computer labs
- a professional training lab
- a school library
- 5 specialized laboratories
- a room for multimedia presentations
- a fitness hall
- a training center in the school farm

**In 2018, the school building was renovated due to the EU project "Reconstruction and Modernization of Veterinarian High School, Dobrich", Operational Program "Regions in Growth" 2014-2020, The amount of money is for 665 000 euro.**
