Is there any important difference between the lessons you visited and your usual lessons at home?

- It is similar but I think it is a bit more laid back eg with phones
- Louder, busier
- More laid back and relaxed
- The school bell
- Students have their phones out. Students in Spain don't have to wear uniform.
- The lessons I visited were more chaos. Nobody raises a hand to answer a question.
- Everyone talks at the same time, they don't raise there hands
- They told me that the classes were so different but they has a lot fun teaching the lessons to younger students
