Dear all,

We, IES Profesor Pablo del Saz, have the honor to invite teachers and pupils from

Eureka Secondary School, Kells, Ireland

to the second mobility of our Erasmus+ project “Totally Maths”. We will be happy to receive in our school Mrs. Kathleen Naughton, Mrs. Mary Mullaghy, Mr. Steven de Foer and Mrs. Emily Dieleman, with their students.

This mobility takes place in Marbella, Spain, from March 19th till March 26th. On the program of this mobility we have for you:

- A presentation of all schools.
- Educational activities, such as students-teaching-students.
- A lot of teambuilding activities.
- A good contact with the host families
- A visit to the historical cities of Granada, Málaga and Ronda.
- A reception at the town hall of Marbella.

We hope to give you a good view on the Spanish way of live, our culture, our history, our school and our culinary specialties.

See you soon.
