

Dear future me,

You have gained many lessons until now. You have achieved a great amount of your goals and dreams yet. Are you happy where you are right now? Have you succeed in any other domains? I want you to know that I really admire you for your strong character and especially because you did not give up when you faced difficult circumstances. Keep on going and I'm pretty sure you will have a great future.

P.S.: Never forget to put yourself as a priority in your life.
