LAB4S.P.A.C.E. Activity Report Sheet

Name of Activity	WHAT YOU KNOW ABOUT OUR PARTNERS' COUNTRIES
Occasion	LAB4S.P.A.C.E. SPAIN March 2017.
Rationale	To get to know each other better by starting doing activities together using their abilities to communicate with children of other culture and language.
Target Group	Students of 9/10 years
Content /Issues addressed	To complete a whole map of a country with different pieces gained for a mixed group by answering (in English) questions about different cultural aspects of the countries in question.
Aims and Objectives	Knowing more about culture, history, geography and other aspects about the countries participating in the project. Getting to know each other better. Learning to collaborate and participate in a group, feeling part of it.
Methodology / Approaches	We prepared a game with questions and answers about different aspects from the different countries. In for groups made with mixed children from different countries, they tried to answer the questions. They got one piece of a puzzle for each correct answer. The aim was to complete the shape of a map by using the pieces gained
Evaluation	Debate to analyze if they have cooperate and participate in the group in which they were.
Replicability	The activity can be worked by any other group of student of different ages by changing the countries and the level of the questions if needed.
Comments	The activity had two different impacts: one in the children who played in it, while they were working on it and rehearsal, and the other one in the audience who attend the act, having the opportunity to enjoy and learn about a teaching model of inclusion and acceptance.
