

## Madeira diary

### First day

First emotions I got already in the airplane when we were landing to Madeira. I saw amazing landscapes.

In the airport we meet our hosting family and they were really friendly. After dinner we went on the mountains (Pico Ruivo). That was really cool because we were above the clouds and landscapes were breathtaking. When we were back in the Funchal we had supper and after we went out to cover the city.

### Second day

After early wake up we had dinner and went to school. It was interesting to see what portugese people doing in schools. We meet all students and teachers of erasmus course. They all were very friendly. We plaid some game and then we went to take lunch. It was cool to taste portugese school food. After lunch we were in the museum what was really interesting because in that museum were much old stuff. After school in the evening me and some students from portugal and different countries went to the sopping centre to eate in Mc Donalds.

### Third day

Me and my class mate Juha woke up earlier to see a sunset. It was very beautiful. Then whole erasmus group were to the garden on a cabble cars. That garden was very huge. I was shocked how pretty the garden is. After we were in the park and went to eate in restaurant. In the evening students were been readed poles from own country. It was cool to listen different languages. Later all students group were hanging in the city.

### Fourth day

In the morning whole group gets on the bus and we drove somewhere far to look at beautiful nature of Madeira. There were so much beautiful things that I never have seen before. All landscapes, caves, mountains, threes, flowers and waterfalls were amazing. Then our group stick for barbecue in good place. After all some students went to the pool. In pool water was little bit cold for me because it was from ocean. After pool in the evening we students were hanging in other city.

### Fifth day

Our group were again visiting different beautiful plases on the bus. I was took much of pictures from those pases, because I need to remember how cool was Madeira. After those amazing plases we went on the beach. Everybody had much of fun there. After beach our group went again in the shopping centre to have fun.

### Sixth day

In the morning we went to the school and we were on some lessons. It was cool to experience something like this. Then me, Juha and our houst went to have lunch with Rodrigo and tahitian girls. We plaid ping pong also and I won everyone. After lunch we went to the city and we split for 3 groups. My group went to the castle. Castle was very cool. When all groups were again together we went to the bouth. Everybody had much of fun there even teachers. We were swimming and jumping in the water. After all we were at the city and then we went back to home to sleep.

#### Seventh day

We come to the schooland we were there all most whole day. First we did some little bit of school program then Me and five students went on radio station. It was fun to speak about our experience in Madeira on the radio. After that I went to have lunch with girls from Reunion. When we were back at the school all students have been showing their national dances. Every dance was good and interesting. Then all group and teachers meet in auditorium like in first day. There they were showing some pictures from us. In the evening we had big supper in the school. Almodt every body were singing and dancing after food. Then time was to say good bye to everyone. It was really hard because we all become friends.

#### Last day

Taht day was bad because all most of the time I was too sad. When we woke up we went to the beach. On the beach we have spend some tume thrn we went to shopping. Then we went back to the home to pack our luggages. Our houst family conducted us to the airport and then we flight back to the Finland.
