

Green Investigation Agency democratic project charter!

We must be **friendly** with the other partners to collaborate better. We must **respect** all students and all teachers and we mustn't insult anybody. We must always be **polite** with teachers and students. We mustn't be **rude**, because this is not polite with others. We mustn't be **angry**, because no one will communicate with us.

We mustn't be **aggressive**, because it spoils relations with others. We must be **sociable**, because we work in teams and it's easier to express our thoughts.

We have to be **serious** but at the same time we have to have **fun**, because otherwise the activity becomes boring. And we must be **serious**, because we work in an important project.

We must be **brainy**, because we should do tasks of different difficulty levels and in the future, we must find good job. We must be **clever**, because we have a lot of creative exercises in project. We must be **hard-working**, because we have a lot of activities to do.

We must be **Eco-friendly** and **creative** students, because our planet needs it. We have to commit ourselves more to this project, because it is **important**.

We must be **decent**, because we have to introduce ourselves perfectly.

We must be **neat** because we should do tasks accurately and quickly. We mustn't be **dull**, because we enjoy doing fun activities.

We mustn't be **noisy**, because it bothers to collaborate.

We mustn't be **impatient**, because we have to collaborate. We mustn't **hurry** our classmates but we can help them and wait.

We mustn't be **stressed**, because we take care for the partners. We must be **tolerant**, because our partners **deserve** it. We have to **support** each other. We must **help** each other, because together we will do more.

we must be able to **share** our ideas with respect, taking into account everyone's opinions without judging them, we must know how to accept criticism and we can discuss them without getting **angry** to carry out this project. We must respect everyone's opinion to create a **better** world.

We must be **convincing** because we have to help our planet with other people.

We mustn't be **cruel**, because we have to help our environment.

We must **listen** to others to be able to work together and move forward.

We will be able to meet **new** people (make new friends) who are not from our country and have fun while working!!

*Collaborative work: **Ukraine**, **France**, **Bulgaria**, **Poland**, **Italy**, **Germany***
