

LATVIA

TRAVELLING THERE

1ST DAY

- We went to the school in Pale.
- The Latvian people did a beautiful welcome festival.
- Then we did a tour in the school.
- Icebreaking activities.
- We went with our Latvian families.

2nd DAY

- We went to the nature and technology park “Urda”.
- Next we did some science workshops.
- Then we went to the Limbazi Town Hall
- We go with our Latvian families.

3rd DAY

- First we went on a trip to Riga (the capital of Latvia).
- Then we have some free time in Riga.
- Finally we did a trip to Sigulda – Gauja National Park .
Historical and science activities.

4th DAY

- At night we had dinner with the teachers, students and families at the school.

- We did a day-trip to Salacgriva
- Then we did some science / research workshops in Salacgriva-Nature education centre "Zime / vidzeme".
- Next we went to the Vidzeme coast.
- We went home with our Latvian families.

5th DAY

- We went on a trip to the forest and there we did a route.
- Then we did science workshops (experiments).
- Next I went with Irene to an ice cream factory.
- Finally I spent the afternoon taking a walk with Cristina.

RETURN TRIP

THANK YOU FOR EVERYTHING
