

eTwinning supermarket leaflets activity

Let's Cook Together

Find equivalents for trademarks your are familiar with in your country and that you have seen in one of the other leaflets:

LITHUANIA	POLAND	SPAIN

Find these products in the foreign leaflets:

	LITHUANIA	POLAND	SPAIN
A strange drink			
fish			
A typical dish			
Something international			
A brand with a different name (but same product)			
Something you like			

Have you found any international food?

LITHUANIA	POLAND	SPAIN

What words can't you translate into your own language?

If you went to one of these supermarkets what would you like to try back home?

DISCUSSION

- What has surprised you?
- Are there any products that you can't find in your own country?
- What would you like to try?
- What would you never try?
- What is missing in the leaflet (in comparison with a supermarket in your country)?
- Your birthday is next week. You've got €30. What would you buy from each of the supermarkets if you want to invite 4 of your friends to a party?
