

Collaborative Poem
Save the Word

Everybody wants me
but I'm not easy to find.
War, poverty and injustice
are trying to hurting me.
Yet, I am here and waiting for you.

Who am I?

Ich bin wichtig für jedes Kind
jeden Erwachsenen und für alle
Lebewesen.
Der Krieg sieht mich als Feind,
aber ich bin
was die Welt braucht.

Eu sou
o que o mundo precisa.
Mas a guerra, a pobreza e a justiça
magoam-me muito,
não são meus amigos.

Οι φίλοι είναι συντροφιά
Μας κάνουν να αισθανόμαστε καλά
Στην ειρήνη είναι όλα δυνατά
ξεπερνιούνται τα εμπόδια
για να ζήσουμε όλοι μαζί ελεύθερα

Etrafına bak!
O kadar güzel çiçekler ve mutlu çocuklar
var ki
Bu silahlar neden?
Bu güzelliği yok etmek neden?
Bizler dünyanın tüm çocuklarıyız
Ve hiçbir savaş istemiyoruz

I am important for every child
and grown-up and every living being.
War sees me as an enemy,
but I am
what the world needs.

I am
what the world needs.
But war, poverty and injustice
are hurting me,
they are not my friends.

Friends are always there for us
They make us feel good
in peace everything is possible
no obstacles at all
live all together in harmony and free.

Look around you!
So many beautiful flowers and happy
children
So why are guns?
Why destroying the beauty?
We are the children of the world
And we don't want any wars.
